### **MEETING MINUTES:**

Emailed out prior to meeting. No errors or omissions noted. Jennifer motions meeting minutes be accepted as circulated. 2nd by Holley. **MOTION CARRIED**

### **OLD BUSINESS:**

1. Canvas & Brush Paint Party Fundraiser – Holley made enquiries at the board office but has not heard back yet. Will look at doing one in the Spring depending on if we must rent space at the school or not.  
**Action Item: Holley to try connecting with the board office again for more info.**
2. Christmas treats – made Grinch Popcorn and Reindeer Chow that was served to students and staff on the last day of school before the break. Still have some supplies left over so we can do another treat at some point that uses this.

### **NEW BUSINESS:**

1. Letter to BCSS parents – Holley has drafted a letter that we can send out to parents to try and boost participation. Holley will send the letter to those present so they can make suggestions and once it is ready we will ask Mari to send it out to parents.  
**Action Item: Holley to send letter out for us to contribute to then send final copy to Mari.**
2. Grad Bursaries – discussion had around how many to offer and if we should update our requirements for redeeming it. We will go back to offering 2 this year but we will discuss the amount allocated to each once we are closer to June. Tabled the discussion on updating requirements so we each have time to think about it more. Will revisit at the next meeting.
3. Spring Plant Fundraiser – since the grad class did the winter plant fundraiser, we will do the spring one. Jenn Mallach already has us on the registration list and will move forward with organizing.
4. Gaming Grants – Holley is wondering about contacting the Gaming Grant to ask about the spending of funds since last year we had allocated funds to purchase ukuleles, but that purchase didn't go through before the Sept 30<sup>th</sup> deadline. Wants to find out if having the funds allocated to a purchase is good enough or if they have to be actually spent and out of the account. Also discussed how we want to spend this year's funds,
