PRINCIPAL'S REPORT:

The passing of a previous BCSS student this past weekend has been hard on both staff and students. This is the third past student to have passed this year. Wanda came in to support staff.

The 2024 Commencement ceremonies were this past weekend. We celebrated 21 grads!

On May 31st we held our Indigenous Grad Ceremony. We held a luncheon for those students and their families, along with staff. We have held it in the library the last several years, but this celebration has grown each year and we are outgrowing this space, so we will be looking at holding it in a different space next year.

Our Performing Arts division has grown from strictly Musical Theatre shows put on by the Musical Theatre classes into a dedicated group of students working outside of school hours as well and attending competitions. We had 3 students qualify to attend the BC Performing Arts Provincials in Fort St. John at the beginning of the month. 2 of these students competed in the competition and the other was invited to attend the workshops and perform in the Rising Stars Show.

Girls soccer has just wrapped up for the year. Thanks to our volunteer coaches.

Golf Team is running again this year. Have participated in two tournaments so far this year.

Annual Grade 7 visit is coming up this week on Thursday. All grade 7 students from both GES and WBES will be here for the afternoon. They are assigned at Grade 8 buddy who will show them around and take them to their classes. This year we are combining it with our annual Spring Run-Off so students will be participating in that as well and we will have a BBQ as well.

Annie Jr. this years Musical Theatre 9/10 production is Thurs June 20th at 7pm and Friday June 24th at 1pm and 4pm
